For we trust in thee,

And we will at every hour,

Always loyal be.

You have been to us a mother,

In the days gone by,

And we'll never love another,

As ole Curry High.

CHORUS

Always faithful, always loyal,

To our colors true,

Here's to thee our dear Ol' High School

FOREWORD

We, the Annual Staff of 1949-50, are presenting to all the friends of Curry High School "GOLDEN REFLECTIONS OF 1950." We hope with all our hearts that this Year Book will be a cherished possession of merit and value to you throughout the future.

To the administration of Curry High School: We wish to express our heart-felt appreciation for the splendid co-operation rendered in this undertaking. To the following personalities, Mrs. Celesta J. Burkett, Mrs. Nell Ekstrom, and Mrs. Jewel Black, we owe a debt of gratitude for their constant guidance and helpful suggestions in making this publication a reality.

To all our friends who have so graciously received our efforts in the past we extend our best wishes, and thank you for your part in making this activity a success.

DEDICATION

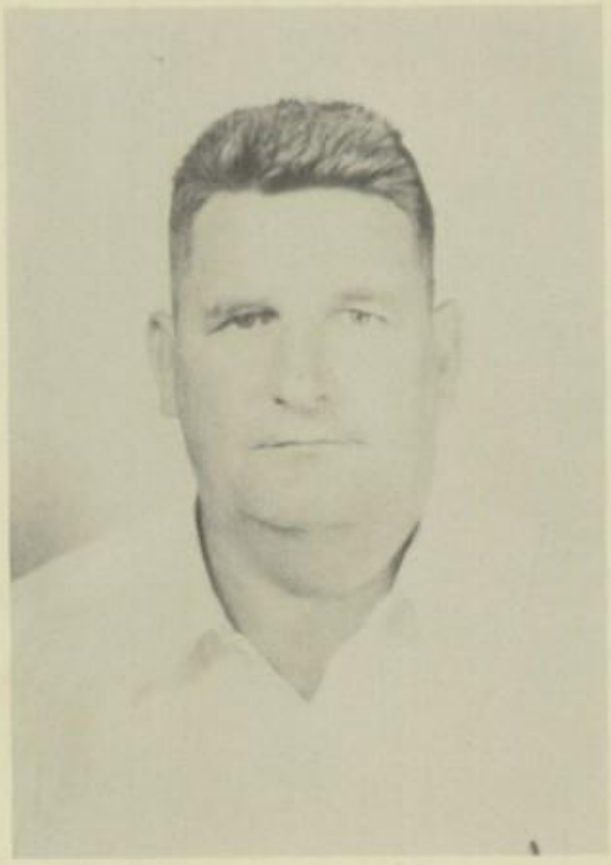
In dedicating our 1950 Year Book, we wish to honor two faculty members who have become very dear to us. By their friendliness and enthusiasm they have inspired us to greater goals. We have found them at all times interested in our welfare and willing to help make our school life a pleasure.

By this dedication we wish to express our appreciation for their loyal service. We feel that American Youth will always be safe in hands like those of Mr. George Turner and Mrs. Sarah Ann Salmon.

Mrs. Sarah Ann Salmon, born in the state of Missouri came to Alabama in July, 1941, and since that time has taught in this state and has proved her great leadership ability. Her schooling and training include three years at the University of Missouri, and one year at Central Missouri State Teachers College at Warrensburg, where she obtained her B. S. Degree in Science and Home Economics. She later attended Howard and Birmingham Southern Colleges in Birmingham.

Her teaching experience includes three years in Missouri and nine in Alabama, seven of which have been at Curry High School in the Science Department.

She enjoys teaching and associating with teen age boys and girls. Her hobbies include Science Scrapbooks, book collections, nature study, and cooking. She occupies her time with routine house keeping at 1106 Myrtle Drive, Jasper when not in school.



Mr. George Turner, born in Indiana, but an Alabamian by adoption, has served in the school systems of Alabama with zest and fervor for more than thirty years. He was trained for his profession at Hamilton State Secondary Agricultural School, Florence State Normal School, Birmingham Southern College, and the University of Alabama. He received his B. S. Degree from the University in 1935. In addition to his teachers class B professional certificate he also holds the Alabama Principal-Superintendent's certificate.

His teaching experience includes principalships in elementary schools of Walker County for ten years. His classroom activities include the teaching of mathematics at Curry High School during the past seven years.

Mr. Turner enjoys teaching and working with boys and girls who will become Alabama's future citizens. He also enjoys living in the country and when not teaching spends his time on his large farm in the Drummond Community.

1950

This class of 1950 has no unusual history. Most of us started to school about twelve years ago, and by constant prodding on the part of patient teachers have finally emerged on the threshold of graduation. Our accomplishments have been average and we lay claim to nothing unusual scholastically, but we leave this brief record as a formality, hoping that those students who come after us, may be more accomplished.

The graduating Seniors who started in the first grade twelve years ago are Betty Ryan, Emaline Forrester, Charles Miller, Carolyn Cooper, Louise Elmore, Alta Berry, June Rowe, and Bobby Wilson. Through the first six years of school we had several teachers. Our grammar school teachers included Mrs. Farris, Mrs. Hudson, Miss Brakefield, Mrs. Ryan, Mrs. Sherer, and Mrs. Durham.

When we graduated from elementary school in 1944, Mrs. Zora Durham was our teacher. We felt proud indeed to receive grammar school diplomas at the end of the school year. We could hardly wait to enter high school in the fall of 1945.

When we entered our first year in high school, Mrs. Burkett was our home room teacher. Ina Gibson and James Aaron were added to the class at this point. Then came our Jr. II year with Mrs. Mildred Myers as Class Sponsor. We had two new comers to our class, J. C. Farley and Charles Wilson. We plugged away with the usual number of ups and downs through this year, and our freshmen year found us with Mr. Hawkins and Mrs. Martin as our sponsors. We caused them many headaches but they survived the year. We felt proud to have graduated from Junior High School.

As we became sophomores several new faces were added to our class, these included: DeWayne McCauley, Herman King, Bobbie Ramey, Buford Williams, Braxton Harbinson, Lacy Redmill, and J. L. Gay. Mr. Turner was our sponsor and we had the Science Basement for our home room. This was a large class and we realized at this point, that things could get tough in the class room.

We entered our Jr. year with Mrs. Salmon as our Sponsor. Many of our students failed to complete the school year. The grind of the class room routine became monotonous to some and they thirsted for the freedom of the "open road". Matrimony called many of the girls and several of the boys decided to see the world through services afforded by Uncle Sam.

In August, 1949, we became Seniors. This year we had Mrs. Burkett as our Sponsor. We have thoroughly enjoyed our Senior year. We had Sara Lee, Juanita Lee, and Ovalene White added to our class. We have been a fair class, engaging in various activities. We know not what the future holds, but we hope our years in school have prepared us to become worth while citizens of tomorrow.

CLASS HISTORIAN

C L A S S P R O P H E C Y O F 1950

I recently stepped from a Pan American Clipper in Birmingham, Alabama and was greeted by a lusty voice of a cab driver.

Taxi! Taxi! Lady! he exclaimed, I thought the voice had a familiar ring and looking closely, I recognized DeWayne McCauley.

I dashed over to say hello and since I was going up town decided that this was the cab for me.

We talked over old times, and naturally the conversation drifted back to our days at Curry High.

I learned that Herman King was an all American football player. Bobby Ramey was manager of the lunch room at Curry High School. J. C. Farley was still waiting for Ruby Short to give him an answer. Betty Ryan finally got hitched and was living in Hueytown, Alabama. That J. L. Gay had acquired a wife and inherited a fortune in doing so. Sylvia Gay was a telephone operator in Jasper, Alabama. June Rowe was teaching Science at Walker College. Bobby Wilson was a famed radio announcer. Murvel Drummond and Alfred Webb were studying law at the University of Alabama. Emaline Forrester had joined the Piney Woods Trio, which had reached the top in entertainment.

I was getting a little hungry so I went into a drug store to get a soda. When the waitress came I recognized her to be Vaudie Robinson. We were both glad to see each other and after I had told her of my days adventures she gave me some more dope on the 1950 Seniors. She said that Ovalene White had become the Head Nurse at the Peoples Hospital in Jasper, Alabama. Arley Bridges was the leading farmer in Piney Woods. Frank Woodley and Charles Wilson were in partnership and were operating the South's Largest Dairy. Ina Gibson was happily married to J. C. Kelly and was a leading lady at Curry. Sarah Lee was the most highly celebrated woman in New York. Clyde Johnsey was driving a Greyhound Bus from Jasper to Birmingham. Braxton Harbinson was head of the City Commission in Jasper, Alabama, which had grown to be a city of fifty thousand.

The day was almost gone so I decided to see a movie. I stepped up to get my ticket and found the ticket agent to be Juanita Lee. Since I was alone I invited her to attend the show with me and she was very glad to do so. As we sat in the show I told her of the seniors I had come in contact with that day, and she told me that Daurice Daniel was secretary for the Governor of Alabama, in Montgomery. Alta Berry was studying at the University of Alabama hoping to succeed Mr. Turner as Math teacher at Curry High. At this time the news reel came on and who would appear on the screen, but Lacy Redmill, a Navy Officer, returning from over seas duty. Then came James Aaron announcing his candidacy for the President of the United States, on a live and let live platform. Next came my big surprise, Harold Dailey and Earnest Lindley digging gold in Alaska. It seems that they had struck it rich. The main show had started and I was surprised when Louise Elmore appeared doing the Blondie's Boogie. This climaxed the performance.

When the show was over, and I was on my way home to San Francisco, I was truly grateful for the friendships which had endured for twenty years. I plan to visit Alabama again and hope to contact my class mates again.
